MINISTRY OF COMMERCE AND INDUSTRY

PUBLIC NOTICE

IMPORT TRADE CONTROL

New Delhi, the 18th February, 1959

SUBJECT:—*Production of Treasury Chalan in respect of licence fees along with the Application for import licence.*

No. 13-ITC(PN)/59.—Attention is invited to Schedule III of the Imports (Control) Order 1955 and paragraph 9 of Section I of the Red Book for the October 1958—March 1959 period according to which every application for an import licence should be accompanied by a Treasury or bank receipt for the appropriate amount showing the particulars of the application, namely the description of the goods for which the application is made, and the value thereof. It has been noticed that in a number of cases, applications for licences are accompanied by defective Treasury Chalans and that the particulars of the value etc., of the goods given in the Treasury Chalan do not tally with those in the application. The submission of such defective chalans results in considerable delay in the disposal of the applications. Applicants are, therefore, advised in their own interest that licence fee strictly in accordance with the schedule of fees given in the Import Trade Control Order should be remitted into the Treasury at the time of making the application and the particulars of the goods and the value of the goods applied for should correspond to the particulars given in the application for licence.

S. N. BILGRAMI, Jt. Secy.
